II.2.4. Description of the procurement

Organisations interested in being invited to tender for the contract are required to complete a selection questionnaire containing information about their economic and financial standing, technical capability and other general information. This information will be assessed to establish that the organisation is financially viable and technically capable of undertaking a contract of this nature. Access to the selection questionnaire and further information about the contract can be obtained from the Delta eSourcing portal.

The contract shall be awarded based on the most economically advantageous Tender received, full details included in the procurement documents.

Procurement documents

The Authorities' requirements will be defined in the service specification. A descriptive document and SQ instructions to suppliers can be obtained with the selection questionnaire. This will be accompanied by draft versions of the conditions, specification, payment and performance mechanism, method statements, pricing schedule, background data and evaluation criteria which will be developed in more detail and released with the invitation to participate in dialogue to those who are invited to participate. When published, all of the documents will be made available via Delta eSourcing portal.

The Competitive Dialogue

It is intended that this procurement will be a lean competitive dialogue. There will be no outline solutions stage and dialogue will focus on key issues where the Contracting Authorities are not able to define objectively the technical means or financial or legal make up of aspects of its needs. The dialogue may be carried out in stages.

There may be provisional services that could be part of the dialogue.

Staggered commencement dates

Delivery of the services will commence in the Chiltern/Wycombe District Council areas between March and June 2020 with a mobilisation period expected to commence in December 2019. Delivery of the Services in the South Bucks District Council area will commence in November 2021.
