General public services

**Section II: Object**

---

**II.1. Scope of the procurement****II.1.1. Title**

Management and Care of Parks and Squares in Gamle Oslo, St Hanshaugen and Sagene City Districts

Reference number: 20/1909

**II.1.2. Main CPV code**

77310000 Planting and maintenance services of green areas

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

Oslo Municipality, c/o Gamle Oslo district, Sagene district and St Hanshaugen district, henceforth referred to as the contracting authority, calls for an open tender contest regarding a contract for the operation and management of parks and squares in Gamle Oslo district, Sagene district and St Hanshaugen district.

The three districts administer numerous parks and squares and are responsible for their operation and maintenance.

The aim of the procurement is to enter into a contract with a service provider of park management services for local parks and open spaces in the three central districts. The management of the local city parks is a year-round task with various tasks related to the different operating seasons. This includes, for example, services such as lawn mowing, waste management, operation of playgrounds, operation of fountains and mirror pools, plant care, general supervision tasks, ploughing and gritting, as well as operation of an artificial ice rink and natural surfaces, etc.

**II.1.5. Estimated total value**

Value excluding VAT: 24 000 000,00 NOK

### **II.1.6. Information about lots**

This contract is divided into lots: no

## **II.2. Description**

### **II.2.2. Additional CPV code(s)**

50870000 Repair and maintenance services of playground equipment, 71421000 Landscape gardening services, 77311000 Ornamental and pleasure gardens maintenance services, 77312000 Weed-clearance services, 77312100 Weed-killing services, 77313000 Parks maintenance services, 77314000 Grounds maintenance services

### **II.2.3. Place of performance**

NUTS code: NO011 Oslo

### **II.2.4. Description of the procurement**

Oslo Municipality, c/o Gamle Oslo district, Sagene district and St Hanshaugen district, henceforth referred to as the contracting authority, calls for an open tender contest regarding a contract for the operation and management of parks and squares in Gamle Oslo district, Sagene district and St Hanshaugen district.

The three districts administer numerous parks and squares and are responsible for their operation and maintenance.

The aim of the procurement is to enter into a contract with a service provider of park management services for local parks and open spaces in the three central districts. The management of the local city parks is a year-round task with various tasks related to the different operating seasons. This includes, for example, services such as lawn mowing, waste management, operation of playgrounds, operation of fountains and mirror pools, plant care, general supervision tasks, ploughing and gritting, as well as operation of an artificial ice rink and natural surfaces, etc.

### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6. Estimated value**

Value excluding VAT: 24 000 000,00 NOK

### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 36

This contract is subject to renewal: no

### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: yes

Description of options:

The contracting authority has an option for extending the contract for an additional 1 year on the verbatim terms.

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

### **II.2.14. Additional information**

**III.1. Conditions for participation**

**III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

- The tenderer must be a legally established company.

Documentation: company registration certificate.

Foreign companies: proof that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

**III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have the financial capacity to implement the assignment/contract.

Minimum level(s) of standards possibly required:

Documentation requirement: the contracting authority will obtain a credit rating based on the last known fiscal figures.

**III.1.3. Technical and professional ability**

List and brief description of selection criteria:

1) requirements related to the tenderer's quality assurance system:

- the tenderer must have an established quality assurance system;

2) requirements connected to the tenderer's environmental management system:

- the tenderer must have an established environmental management system;

3) there are requirements regarding the tenderer's technical and professional qualifications:

- experience is required from equivalent assignments,
- the tenderer must have adequate technical, personnel and organisational capacity to implement the assignment.

Minimum level(s) of standards possibly required:

1) Documentation requirement: documentation of the tenderer's quality assurance system.

If the tenderer is certified, it is sufficient to enclose copies of certificates issued by independent bodies.

If the tenderer is not certified, it is sufficient to enclose the table of contents for the quality system.

2) Documentation requirement: documentation on the tenderer's quality assurance system.

If a tenderer is certified, it is sufficient to enclose a copy of a certificate issued by independent bodies, which confirms compliance with certain environmental management standards.

If the tenderer is not certified, it is sufficient to enclose the table of contents for the environmental management system.

3) Documentation requirement:

- An overview of the tenderer's equivalent assignments carried out during the last 3 years. The overview shall indicate who the contracting authority was, the name of a contact person, the nature of the work, scope and value, as well as the time and location of the execution of the work.

The contracting authority reserves the right to contact the referees for the stated reference projects.

- A description of available machinery of significance for the fulfilment of this contract, as well as an overview of the tenderer's total manpower.
