#### **II.1.4. Short description**

The framework agreement will cover Tysvær Municipality's ongoing need for plumbing services including materials.

The contracting authority uses eBevis in this contest. eBevis enables the contracting authority to electronically obtain information that documents fulfilment of the qualification requirements connected to a company registration certificate and financial capacity, and that there are no grounds for rejection due to taxes and duties. The contracting authority can get access to company information from the Brønnøysund Register Centre and arrears from the Norwegian Tax Authority.

Before the contracting authority can obtain information through eBevis, you must give consent. This is done in Altinn.

If you do not consent to the use of eBevis, the documentation requested by the contracting authority must be sent in manually. Here you will find a supplier guide concerning eBevis and the authorisation process: Give authority on eBevis.
