Tenders or requests to participate must be submitted to the abovementioned address

**I.4. Type of the contracting authority**

Body governed by public law

**I.5. Main activity**

Other activity: Scientific Research

---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Provision of Radiological Dosimetry Service  
Reference number: T/JE069/18

**II.1.2. Main CPV code**

38547000 Dosimetry system

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

The Authority has a requirement for the provision of a Radiological Dosimetry Service at Culham Science Centre.

**II.1.5. Estimated total value**

**II.1.6. Information about lots**

This contract is divided into lots: no

**II.2. Description**

**II.2.3. Place of performance**

NUTS code: UKJ14 Oxfordshire

Main site or place of performance: Culham Science Centre, Abingdon, Oxfordshire.

**II.2.4. Description of the procurement**

The UK Atomic Energy Authority is a non-departmental government body carrying out research into the potential of nuclear fusion as a source of energy.

The Authority operates MAST and JET, which forms part of the UK and European Fusion Programme with the aim of magnetically confining and studying the behaviour of a plasma in conditions and dimensions approaching those required in a fusion reactor.

MAST Upgrade is a programme designed to update the machine and push the limits of operations even closer.

With radiological hazards, including ionising and non-ionising radiation, there is a requirement to have an Approved Dosimetry Service (ADS) to undertake assessment and record-keeping of radiation doses received by classified and non-classified persons.

**II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

**II.2.6. Estimated value**

**II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 59

This contract is subject to renewal: yes

Description of renewals:

The contract will be let for an initial period of 12 months but will be extended annually, subject to agreement between the Contractor and Client (UKAEA), to run for up to a total period of 59 months.

**II.2.10. Information about variants**

Variants will be accepted: no

**II.2.11. Information about options**

Options: no

**II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

**II.2.14. Additional information**

All documents must be in English or with an English translation.

Prices may be stated in tenderers local currency and contract(s) will be let in the tendered currency.

The United Kingdom Atomic Energy Authority reserve the right not to award a contract.  
The costs of tendering shall be the responsibility of tenderers.

### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

English

##### **IV.2.6. Minimum time frame during which the tenderer must maintain the tender**

Duration in months: 3 (from the date stated for receipt of tender)

#### **IV.2.7. Conditions for opening of tenders**

Date: 17/12/2018 Local time: 12:00

Place:

Culham Science Centre, abingdon, Oxfordshire, England.

Information about authorised persons and opening procedure: Authorised individuals within the United Kingdom Atomic Energy Authority and any persons nominated to act on the Authority's behalf.

### **Section VI: Complementary information**

---

#### **VI.1. Information about recurrence**

This is a recurrent procurement: no

#### **VI.3. Additional information**

#### **VI.4. Procedures for review**

##### **VI.4.1. Review body**

Official name: United Kingdom Atomic Energy Authority

Postal address: Culham Science Centre

Town: Abingdon

Postal code: OX14 3DB

Country: United Kingdom

##### **VI.4.3. Review procedure**

Precise information on deadline(s) for review procedures:

The Authority will incorporate a minimum 10 calendar days standstill period at the point that information on the proposed award of contract is communicated to all tenderers. This period allows unsuccessful tenderers to seek further debriefing from the Authority before a contract is entered into.

Applicants have 2 working days from the notification of the award decision to request additional debriefing and that information has to be provided within a minimum of 3 working days before the expiry of the standstill period. Such information should be sought from the contact named in this notice.

If an appeal regarding the award of a contract has not been successfully resolved, the Public Contracts Regulations 2015 (SI 2015 No. 102) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland)

Any such action must be brought promptly (generally within 3 months).

##### **VI.5. Date of dispatch of this notice**

16/11/2018
