The procurement is related to a project and/or programme financed by European Union funds: no

#### **II.2.14. Additional information**

### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established. Documentation: Norwegian businesses must submit a company registration certificate. Foreign tenderers must submit proof that the company is registered in a company register or trade index in the country where the tenderer is established. (Cf. Annex XI to directive 2014/24/EU).

### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Minimum level(s) of standards possibly required:

Credit assessment based on the most recent accounting figures. The rating must be carried out by a credit information company that has a licence. If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial capacity with any other document that the contracting authority deems suitable, including a parent company guarantee, bank guarantee, etc. The contracting authority can, amongst other things, place emphasis on tenderers who have profitable operations and positive equity.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Tenderers must have satisfactory technical and professional qualifications to fulfil the contract.

Minimum level(s) of standards possibly required:

Technical and professional qualifications are to be documented by submitting a short description of the Tenderer's personnel and technical units that the Tenderer can use to fulfil the contract. Tenderers must document relevant completed assignments in the last 3 years, including information on the contract's value, date of delivery or execution, and the name of the customer. If sub-suppliers are used, a description must be given of how much of the contract the Tenderer will give to the sub-suppliers.

## **Section IV: Procedure**

---

### **IV.1. Description**

#### **IV.1.1. Type of procedure**

Open procedure

#### **IV.1.3. Information about a framework agreement or a dynamic purchasing system**
