Contract

The procurement will be regulated by the attached contract with the associated standard terms.

The contracting authority will enter into a contract with 1 tenderer per zone.

The contracting authority expects that tenderers are familiar with the contract provisions and makes the necessary internal clarifications in such a way that a contract can be signed if awarded.

ESPD

As part of the simplification of public procurements, and based on experience from similar, former procurements where many tenderers have limited experience with submitting tenders, the contracting authority has chosen not to require ESPD to be included in this call for tenders. Tenderers are asked to confirm that none of the grounds for rejection in the form's Part III are relevant to you as a tenderer (this applies to funding of terrorist organisation, child labour, corruption, and involvement in criminal activities).
