II.1.4. Short description

The objective of the procurement is to cover the contracting authority's need for carpentry work. The procurement includes i.a. the following services:

- Maintenance and ongoing work
- Major planned maintenance jobs, projects
- Emergency repairs

There will however also be the delivery of some materials, as in many cases it will be appropriate that the tenderer provides the materials required for the execution of the assignment in question. Even if the procurement includes some materials, it is emphasised

that this contract does not give exclusivity for the delivery of such materials and that the contracting authority is not obligated to purchase materials from the service provider. The contracting authority is, thus, free to procure material from our other framework agreements and still use the contract tenderer for work that is to be carried out without any mark-up in the agreed prices for work.
