II.1.4. Short description

Orkdal Municipality annually procures consultancy services within roads, water, sewage, and the environment in varying scope. The majority of these occur through announcements based on specific major projects. For the remaining assignments/tasks, it will be expedient to enter into parallel framework agreements based on competence/experience, hourly rate, and implementation ability.

The contract will apply to assignments within roads, water, sewage, and the environment.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots
