#### **II.2.4. Description of the procurement**

Hitra Municipality would like to enter into a framework agreement with one tenderer. The total scope of the assignments that will be awarded during the contract period is expected to total approx. NOK 2 - 4 million per year excluding VAT.

Please note that there is some uncertainty around the contract's volume. Previous experience suggests that the demand can vary up or down from year to year.

The contracting authority will have the full right to go outside this framework agreement and hold independent contests for individual projects that altogether, including architectural and consultancy services and complete execution and contract work, are estimated to exceed NOK 200,000 excluding VAT. The tenderer will be able to participate in the contest for such assignments.

The contract is for 2 years with a unilateral option for HK to extend for 1+1 year.

Full details of the delivery are in the requirements specification.
