The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Minimum level(s) of standards possibly required:

Credit rating equivalent to score A (credit worthy) or better, measured on the Bisnode Norge AS' AAA rating system - or equivalent score from other reputable credit rating agencies. The rating must be based on the last known accounting figures and it must be carried out by a credit information agency with permissions thereof.

Newly started companies with a credit rating of AN, individual foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to submit a credit rating as documentation that the qualification requirement is satisfied. In such cases, this can be compensated by providing alternative documentation together with the tender.

Sole proprietorships can substantiate their economic and financial capacity by submitting accounts that comply with the requirements for the enterprise's creditworthiness.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments. (Tenderers who have not previously carried out equivalent assignments for Grue municipality must provide references for previous work). The tenderer must have sufficient ability and capacity to implement the contract obligations.

Section IV: Procedure
