Education

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement for the production of podcasts

Reference number: NDLA/22/33

II.1.2. Main CPV code

92111100 Training-film and video-tape production

II.1.3. Type of contract

Services

II.1.4. Short description

NDLA develops digital learning resources for teachers and pupils in sixth form school. For a period, NDLA has procured podcasts for some subjects, and has experience that relatively short podcasts give students a good learning outcome. The podcasts must give students insight in one case, understanding in and experience from situations and how different people think and feel, as well as a deeper knowledge of important issues. The podcast must be included in a context with other educational activities.

II.1.5. Estimated total value

Value excluding VAT: 6 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

92110000 Motion picture and video tape production and related services, 92112000 Services in connection with motion-picture and video-tape production

II.2.3. Place of performance

NUTS code: NO0A2 Vestland

II.2.4. Description of the procurement

NDLA develops digital learning resources for teachers and pupils in sixth form school. For a period, NDLA has procured podcasts for some subjects, and has experience that relatively short podcasts give students a good learning outcome. The podcasts must give students insight in one case, understanding in and experience from situations and how different people think and feel, as well as a deeper knowledge of important issues. The podcast must be included in a context with other educational activities.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 6 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 25/11/2022 End: 24/11/2024

This contract is subject to renewal: yes

Description of renewals:

2 extension(s), each for 12 months

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer must be a legally established company

Documentation requirement:

Norwegian companies: Company registration certificate from the Brønnøysund Register Centre

Foreign tenderers: Proof that the tenderer is registered in a trade or business registry or a

Register of Business Enterprises as prescribed in the legislation of the country in which the tenderer is established

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement:

The contracting authority will, as a starting point, obtain a credit rating of the tenderers. Credit rating based on the most recent financial figures. Financial strength will be evaluated in relation to turnover, operating profit margin, solidity and liquidity.

The contracting authority reserves the right to obtain the tenderers' annual accounts including notes with the board and auditor's reports from the last year*.

Foreign tenderers are asked to submit their annual accounts, including any notes with the board and auditor's reports from the last two years.

If a tenderer, due to valid reasons, cannot present the requested documentation, he can prove his economic and financial position with other documentation that the contracting authority can accept.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

1. Tenderers must have a good reputation from equivalent assignments in the last 3 years.

Equivalent assignments refers to producing podcasts developed for professional stakeholders (for example newspapers, radio, humanitarian organisations and educational stakeholders), with an emphasis on information dissemination and edutainment.

Documentation requirement:

Description of the tenderer's 3 most relevant assignments during the last 3 years.

The description must include information of contract value, date and recipient (name, telephone no. and e-mail address).

References may be contacted if necessary to clarify the relevance of the assignment.

However, it is still the tenderer's responsibility to substantiate relevance through the description.

Tenderers must use the reference form in Annex 5.

2. Tenderers must have the sufficient implementation ability and capacity to deliver the required services.

Documentation requirement:

A brief and overall description of the company including:

-The company's overall organisation, including the number of employees

-Study capacity
