II.1.4. Short description

Ringebu municipality is holding this tender contest on behalf of Ringebu and Sør-Fron municipalities. The tender contest concerns work emptying, transporting, and treating septic sludge from plants that consist of interceptors for sludge (septic tanks), blocked tanks, and mini-treatment plants.

The work also includes simple inspections of the facilities when emptying, and reports of any errors to the contracting authority.

The work does not include punting/flushing sewage pipes when private installations get blocked. This is to be agreed between the owner (title holder) and the sanitation engineer.

A contract will be signed with one tenderer.

The assignment will have a duration of two (2) years, with an option for an extension for 1 year. The contract will be valid from 01.01.2023.
