General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Monitoring services for the water area Glomma south.

Reference number: 23182

II.1.2. Main CPV code

90700000 Environmental services

II.1.3. Type of contract

Services

II.1.4. Short description

The contest is for the delivery of monitoring services for the water area Glomma south. As part of the work in the water area, general monitoring and condition assessments of the water bodies are to be carried out. The water area coordinates monitoring of water bodies in accordance with the water regulations work in cooperation with County Administrator in Oslo and Viken, which has overall responsibility for the monitoring and knowledge basis.

See point 1.1.1 for a description of the participants in the contract.

The value of the procurement is estimated to be approx. NOK 850,000 excluding VAT per year for all of the lots. The value is an estimate and is not binding for the contracting authority. The contracting authority's need can vary from year to year. The consumption will also depend on the weather situation (such as drought), changed financial frames, organisational alterations, municipal and county activities, and public injunctions.

See the procurement documents for further information.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no
