**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Framework Agreements for Trade and Contractor Services

Reference number: 20/6872

**II.1.2. Main CPV code**

45000000 Construction work

**II.1.3. Type of contract**

Works

**II.1.4. Short description**

Øygarden Municipality invites tenderers to an open tender contest for the establishment of framework agreements for contractor and trade services within different disciplines.

The contracting authority needs trade services for the operation and maintenance of buildings and roads that the municipality own. The character and scope of individual assignments can vary, but the primary focus will be service, operation and maintenance of the municipality's buildings and roads.

The procurement is divided into nine lots/contract areas.

A complete description of the delivery is in part II Annex 1, the contracting authority's requirements specification.

#### **II.1.6. Information about lots**

This contract is divided into lots: yes

#### **II.1.7. Total value of the procurement**

Value excluding VAT: 140 000 000,00 NOK

### **II.2. Description**

#### **II.2.1. Title**

1) Electricians

Lot No: 1

#### **II.2.2. Additional CPV code(s)**

45000000 Construction work, 45310000 Electrical installation work, 45315100 Electrical engineering installation works, 45317000 Other electrical installation work, 50000000 Repair and maintenance services

#### **II.2.3. Place of performance**

NUTS code: NO051 Hordaland

#### **II.2.4. Description of the procurement**

The framework agreement is for electro work in all the municipalities buildings, sites and infrastructure for technical operations and maintenance with the accompanying materials. Electro work means, amongst other things, work related to minor alterations, installations, changes and maintenance work to existing buildings, both internally and externally. The assignments will mainly consist of setting up new data points and sockets, replacing fittings, troubleshooting electrical work etc. The tenderer will be responsible for fireproofing in accordance with the regulations during installation work.

Contract type: parallel framework agreement, up to three tenderers.

9) Rock Protection  
Lot No: 9

### **II.2.2. Additional CPV code(s)**

45000000 Construction work, 45112600 Cut and fill, 45216123 Mountain-rescue building construction work, 50000000 Repair and maintenance services

### **II.2.3. Place of performance**

NUTS code: NO051 Hordaland

### **II.2.4. Description of the procurement**

Transport and traffic safety is responsible for the operation and maintenance of municipal roads and foot/cycle paths on parts of the county roads.

There is a total of approx. 200 km roads, 25 km pavements, + various car parks and other public places.

The procurement includes rock protection on municipal roads and car parks. Also other places that Øygarden Municipality deems necessary.

The assignment can also include inspections and registrations, and planning various rock protection assignments on municipal roads and spaces. Documentation must be given to the builder for each assignment that shows the scope of the assignment. The rock protection contractor must also inform the public and handle other assignments that are required for the protection assignment on the stretch in question.

The procurement is mainly for planned minor protection assignments and unforeseen assignments.

Contract type: framework agreement with one tenderer.
