Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

'Qualification Requirement:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian companies: Company registration certificate

- Foreign companies: Verification that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.'

III.1.2. Economic and financial standing

List and brief description of selection criteria:

'Qualification Requirement:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement:

- A credit rating based on the most recent financial figures. The rating must be carried out by a credit rating company with a license to conduct this service.

If deemed necessary, the contracting authority will obtain a credit assessment, from a credit information agency with a license to provide such services. This will be a supplement to the documentation given in the tender.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the contracting authority deems suitable.

Minimum level(s) of standards possibly required:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

'Qualification Requirement:

Tenderers must have experience from comparable assignments.

Documentation requirement:

Description of up to three of the tenderer's most relevant/comparable assignments in the last three years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to the competence of the personnel that may be used for this project, including experience that has been acquired while the personnel was in the service of another employer.'

Minimum level(s) of standards possibly required:

Tenderers must have experience from comparable assignments.
