Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Microsoft system administrator consultant - Part III
Reference number: 2021/796

II.1.2. Main CPV code

72514200 Facilities management services for computer systems development

II.1.3.

Type of contract

Services

II.1.4. Short description

The Norwegian Meteorological Institute has based its infrastructure on Linux and using our internal cloud systems; Openstack and Kubernetes.

On the client side, we have an approximately 50-50 distribution between Linux workstations and Windows clients. We mainly use Google's G-suite for office support.

We also have a small but important Microsoft server environment. This consists of file servers, Citrix and Active directory.

We now require a consultant who can assist us in managing and further developing this environment in accordance with our routines, and in a stable, secure and future-oriented manner.

II.1.5. Estimated total value

Value excluding VAT: 5 400 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

72220000 Systems and technical consultancy services, 72266000 Software consultancy services, 72222300 Information technology services

II.2.3. Place of performance

NUTS code: NO081 Oslo

II.2.4. Description of the procurement

The work location is the Norwegian Meteorological Institute. Tenderers must have sufficient time and resources within specific dates. The assignment can be carried out by one or more infrastructure engineers, but there must be a continuity over time.

The estimated scope is 1200 hours + option for up to 2400 additional hours.

Expected commencement: October 2021

The contract period is up to 3 years, and will be renewed automatically each year.

The consultant must understand Norwegian as the oral and written working language.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 5 400 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 20/12/2021 End: 20/12/2024

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contract period is up to 3 years, and will be renewed automatically each year.
