I.4. Type of the contracting authority

Body governed by public law

I.5. Main activity

Social protection

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

GRC Software As A Service

II.1.2. Main CPV code

72000000 IT services: consulting, software development, Internet and support

II.1.3. Type of contract

Services

II.1.4. Short description

Keva is looking for a fully functional and operating Governance Risk management and compliance (GRC) software as a fully hosted SaaS service (Software as a Service) and its support and maintenance as defined in this call for tenders.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: FI1B Helsinki-Uusimaa

II.2.4. Description of the procurement

Keva is looking for a fully functional and operating Governance Risk management and compliance tool as a fully hosted SaaS service (Software as a Service) and its support and maintenance as defined in this call for tenders. The system must be readily compatible with Keva's current risk management processes and development plan.

The system will be used for gathering and storing risk management information as well as to analyse and report risk portfolio for different kind of purposes both internal and external users. The system must be able to handle operational, strategic, compliance and cyber security and information security risks not forgetting the business continuity data. It is also desirable to have ability to composite risks. The emphasis in choosing this tool is on the ability of the system to analyse and produce various kinds of reports of risk positions and to govern risk data with easy to use workflow process.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

The contract shall remain in force for an indefinite period.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Keva reserves the right to award a contract for new modules like it security tools and GDPR.

The tenderer agrees to be bound to this provision.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

This contract is not divided into lots because doing so would make implementation technically too difficult, and coordination problems would put the implementation of the project and the system utilisation at risk.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers
