## Section III: Legal, economic, financial and technical information

---

### III.1. Conditions for participation

#### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

#### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to comply with the contract.

Minimum level(s) of standards possibly required:

The rating must be 4 or better.

The contracting authority will obtain a credit rating from [www.experian.no](http://www.experian.no).

If the company is recently established, financial solidity can be substantiated in different manner.

#### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

Equivalent assignments mean the provision of the service included in the contest.

Tenderers are required to have a good and well-functioning quality assurance system.

The tenderer is required to have an environmental focus.

Minimum level(s) of standards possibly required:

Description of up to three of the tenderer's most relevant assignments in the last three years.

Tenderers must substantiate or give a description of their quality assurance system. Any ISO 9001 certificate or another 3rd party quality standard can be also attached.

A description of the company's routines and systems in relation to environmental management.

If the procedures are described in the company's quality or environmental management system according to ISO 14001, the Eco-lighthouse programme or equivalent systems verified by a third party, a current certificate shall be presented.
