no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tax certificate

- tax and VAT certificate;

- the tax certificate must not be older than 6 months old from the deadline for request for participation in the contest or the deadline for receipt of tender.

The tenderer must be a legally established company.

- Norwegian tenderers must provide an updated company registration certificate;

- foreign companies must present a verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Service providers shall have experience from equivalent assignments. Equivalent assignments are in this context defined as transport services for the public sector, e.g. patient transport, transport for day centres, school transport and TT card (facilitated transport of disabled).

- It is the tenderer's responsibility to substantiate relevance and previous experience, by stating the most important relevant assignments in the last 3 years. The description must include a statement of the assignment's contracting authority (contact person, telephone number and email address), value and contract period.

- If a tenderer shall involve another provider's capacity for qualification, a signed commitment statement from the relevant provider must be given, cf. the Public Procurement Regulations §16-10, 2nd paragraph. Tenderer can use the attached template for commitment statements if it is relevant.

The declaration shall be enclosed with the tender.

Newly established companies must present associated permit holders experience from equivalent assignments.

The service provider must submit documentation for a legal operation of tour services in the area in which tenders are given.

This is to be documented by confirmation from the transport department in the county. The documentation requirement applies to taxis and not tour coaches.

The documentation requirement applies to taxis and not tour buses licences for a legal operation of tour services in the area in which tenders are given.

The required licences must be substantiated with confirmation from the transport department in the County for taxi services, and the Norwegian Public Roads Administration for tour buses.

The list of affiliated licence holders must include names, licence numbers and organisation numbers.
