Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://tendsign.no/doc.aspx?Uniqueld=afysdbeokf&GoTo=Tender>

I.6. Main activity

Recreation, culture and religion

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Automated travel and customer surveys

Reference number: SKYSS/22/32

II.1.2. Main CPV code

79000000 Business services: law, marketing, consulting, recruitment, printing and security

II.1.3. Type of contract

Services

II.1.4. Short description

Skyss would like to receive tender offers for automated travel surveys which, with the consent of the customer, can track and summarise their trips starting from the time the trip begins, to possibly boarding one of Skyss's vehicles or vessels, to reaching their final destination. The

travel surveys must cover all trips, including those that do not involve the use of Skyss's vehicles or vessels. The surveys must be automated, and require no actions other than consent from Skyss's customers. At the same time, privacy must be safeguarded in such a way that neither the tenderer, Skyss nor others are able to identify individuals from stored data.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

48000000 Software package and information systems, 48400000 Business transaction and personal business software package, 79000000 Business services: law, marketing, consulting, recruitment, printing and security, 79300000 Market and economic research; polling and statistics, 79310000 Market research services, 79900000 Miscellaneous business and business-related services

II.2.3. Place of performance

NUTS code: NO0A2 Vestland

Main site or place of performance: Vestland

II.2.4. Description of the procurement

1. Installation and operation of essential firmware (network servers/beacons) in Skyss' vehicles and speedboats in the Bergen region, with the option of expansion to several operating areas in Vestland county. Consideration must be given to installation in 1,000 vehicles and boats in the first iteration.

2. Delivery of finished reports through a web solution such as Power BI.

3. Delivery of anonymised travel data (as a basis for reports) through an API endpoint, data lake or similar solution.

4. Necessary licenses for software, both for the tenderer and Skyss (e.g. software components that must be implemented in the Skyss Reise app).

Detailed description of the delivery, including the option of following Annex 1A - The contracting authority's requirements specifications and Annex 6B - Price form

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 48

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Skyss would like an option for digital customer surveys based on the same infrastructure (hardware and software) that is used for the travel survey. This option will also include assistance with the design and analysis of customer surveys.

See Appendix 1A_The contracting authority's requirements specification for more information.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

*Tenderers must be a legally established company. Documentation requirement: • Norwegian companies: Company Registration Certificate: Verification that the company is registered in the trade or business registry as prescribed in the legislation of the country where the tenderer is established

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation: The contracting authority will, as a starting point, obtain a credit rating of the tenderers. Credit rating based on the most recent financial figures. Financial strength will be evaluated in relation to turnover, operating profit margin, solidity and liquidity.

The contracting authority reserves the right to obtain the tenderers' annual accounts including notes with the board and auditor's reports from the last year.

Foreign tenderers are asked to submit their annual accounts, including any notes with the board and auditor's reports from the last two years.

If a tenderer, due to valid reasons, cannot present the requested documentation, he can prove his economic and financial position with other documentation that the contracting authority can accept.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

*Tenderers must have a good reputation from equivalent assignments in the last 3 years.

Documentation: Description of the tenderer's 3 most relevant assignments during the last 3 years. The description must include information about the value of the assignment, the time and the recipient (name, telephone and e-mail). References may be contacted if necessary to clarify the relevance of the assignment. However, it is still the tenderer's responsibility to substantiate relevance through the description. Tenderers must use the reference form in Annex 5.

*Tenderers must have relevant quality assurance measures in place. The main tenderer cannot rely on other tenderers to fulfil this requirement. Documentation: Description of quality assurance measures.

If a tenderer is certified in accordance with ISO 9001 or equivalent quality assurance certification, it is sufficient to attach a copy of the valid certificate.

*Tenderers must have relevant environmental management measures. Description of environmental management measures. If a tenderer is certified in accordance with the Eco-Lighthouse certification scheme, the Eco-Management and Audit Scheme, ISO 14001 or equivalent environmental management schemes, it is sufficient to attach a copy of the valid certificate.

Section IV: Procedure

IV.1. Description
