### **Direct award**

:

Justification for direct award: Extreme urgency brought about by events unforeseeable for the buyer

Other justification: The note "Application of flexible procedure – Extension of acknowledgement of crisis situation in Ukraine" (ref. Ares(2025)4240720 dated 26/05/2025) allows further use of flexible procedures. This flexible procedure is applicable from 01/07/2025 to 30/06/2026. According to Annex I to the Note, a procurement award can be replaced with negotiated procedure on the basis of Point 40 of Annex 1 of the Financial Regulation (FR) 2024. In addition, under Regulation (EU, Euratom) 2024/2509 (the Financial Regulation applicable to the General Budget of the Union), Annex I, point 11.1(c), the contracting authority may use the negotiated procedure, regardless of the estimated value of the contract in so far as is strictly necessary, where it is impossible to comply with the time limits for reasons of extreme urgency brought about by unforeseeable events and where the justification of such extreme urgency is not attributable to the contracting authority. Such a procedure is also presented in the PRAG for service contracts. The contracting authority may use the negotiated procedure on the basis of one or several tenders, in this case point 3.3.5.1.c
