#### **II.1.4. Short description**

The Norwegian Labour and Welfare Administration c/o NAV Finance and Management Division, the Procurement Division, hereafter called the contracting authority, invites tenderers to an open tender contest for the procurement of threshold eliminators, portable ramps, portable rails, and stationary/fixed ramps. The contest includes products, accessories, and spare parts, as well as services for stationary/fixed ramps.

The aim of the procurement is to establish an assortment of threshold eliminators, portable ramps, portable rails, and stationary/fixed ramps, with a breadth that covers the majority of the needs of the relevant users.

The tender contest is divided into sub-contracts in order to best meet the needs of the relevant user groups, secure comparable products and contribute to achieving the desired range of products. Contracts will be signed for each sub-contract with a sufficient number of tenderers to cover the majority of the users' needs.

The detailed contents of the procurement are specified in the tender documentation.
