Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Norwegian companies: Company registration certificate

Foreign tenderers: Verification that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have an economic and financial standing that makes it able to fulfil its contractual obligations throughout the entire contractual period. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

The company must not have negative equity.

Turnover requirements

Requirement for a turnover of at least NOK 10 million in annual turnover. The accounts submitted in recent years will be used as a basis for the requirement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments. Description of up to three of the tenderer's most relevant assignments in the last three years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description.

Tenderers can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier. The references will be contacted if necessary.

Tenderers must have sufficient implementation ability and the capacity to fulfil the contract. An account of the tenderer's organisation and number of resources within relevant competence areas/functions for fulfilling the contract.
