Railway services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement of a landfill site in Moss centre
Reference number: 202306533

II.1.2. Main CPV code

90500000 Refuse and waste related services

II.1.3. Type of contract

Services

II.1.4. Short description

There are challenges with the stability of the area in Moss centre. As a consequence of this, more execution contracts will be carried out in this area. In connection with this, there is a need for the disposal of matter.

The contracting authority shall enter into parallel framework agreements with several providers of legal reception service for recycling and disposal of clean and contaminated materials, divided into 8 different categories. The tenderer can submit tenders for a single or several/all categories (1-8).

The waste disposal services subject to a tender contest relate to development in the centre of Moss, as well as the construction of Hensetting Rygge and the removal of existing tracks from Sandbukta to Kurefjordveien.

The framework agreements shall be valid from contract signing and for 4 (four) years. The contracting authority may extend the framework agreement for a further 2 (two) years at a time for up to a maximum agreement period of 8 (eight) years.

The estimated total value for all categories (1-8) is NOK 130 000 000

The estimated maximum value for all categories (1-8) is NOK 340 000 000.

II.1.5. Estimated total value
