II.1.4. Short description

Contract cultivation of trees and perennials is part of the Sandvika Centre East urban project, which will transform Sandvika East into an attractive town with a rich selection of businesses, restaurants, public and private services, cultural experiences, offices, and housing.

In 2026/2027, the contracting authority will be planting trees, perennials and plants in the new district of Sandvika Centre East, and would like to enter into a contract with a tenderer in order to ensure delivery of the agreed origin, agreed size and agreed quality of plants to Sandvika Centre East.

Plants and trees must be grown in the right climatic conditions to achieve the desired quality in urban areas in the given location, and a contract must be signed now to achieve the right quality for planting in 2026/2027.

This contest has been previously announced and interrupted due to a lack of received tenders. It is therefore being re-announced.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement 2 - Registered in a trade register or company register. Tenderers must be registered in a

company register or a trade register in the country where the tenderer is established.

Norwegian companies:

Company registration certificate. Foreign companies: Proof that the company is registered in a branch register or company register as described in the legislation of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement 3 - Economy. Tenderers must have economic and financial solidity that gives the contracting authority assurance that the tenderer will be financially viable throughout the entire contract period.

Minimum level(s) of standards possibly required:

Extended credit rating/report, not older than 3 months, from a publicly certified credit rating company, with grade A (credit worthy) or equivalent or better rating.

The report must be based on the last known fiscal figures. The date must be clearly stated.

Companies without a satisfactory credit rating, newly founded companies with a credit rating of AN,

some foreign companies, or companies that are not obliged to report to

the Brønnøysund Register Centre will not always be able to document that the requirement has been met. In such cases

this can be compensated with a satisfactory credit rating that gives an equivalent guarantee for the implementation ability. Such alternative documentation must be included as part of

the tender. If a tenderer has justifiable reason to not present the

documentation requested by the contracting authority, the tenderer can substantiate his economic

and financial position with any other document that the contracting authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement 4 - Implementation ability. Tenderers are required to have an organisation that has the capacity to implement in accordance with the contract. Requirement 5 - Experience. Good/very good experience is required from equivalent assignments.
Minimum level(s) of standards possibly required:
Requirement 4: A description of the tenderer's technical personnel or technical units that the tenderer has at its disposal for fulfilling the contract, regardless of whether they belong to the company or not. Requirement 5: A list of the most important deliveries and services provided in the last 3 years, including information on:
Value, number of delivered trees and plants, dates of deliveries, as well as the name of the public or private recipients. A minimum of 3 (maximum 5) reference assignments must be described. Reference assignments are to be given in Annex 2 - Reference Assignments
