Previous notice: 545bd1a2-7ba2-4626-923d-8f317724c66c-01

Internal identifier: 26/01919

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The municipality is planning a new health centre that shall provide a total of 96 institution places when new buildings and upgrades are completed.

Forecasts show that the municipality will need 96 places by 2035, and the capacity expansion will lead to increased activity in the municipality's health and care services. This competition is for laundry services for nursing homes, the home service, physio and rehabilitation services as well as other associated units. The current volume will form the basis for the competition, but the tenderer must reckon on varying washing volumes in the contract period.
