This invitation to tender invites proposals from showcase suppliers to design, fabricate and install showcases/display cases for the Courtauld Institute of Art/Courtauld Gallery as a part of the Courtauld Connects Project.

Courtauld Connects is a major, multi-million-pound transformation project — the biggest development programme since The Courtauld moved to Somerset House. This visionary project, supported by the Heritage Lottery Fund, will enable The Courtauld significantly to improve teaching and research facilities, enhance the Gallery and widen and extend our reach locally, nationally and internationally. A key part of the project will be a major redevelopment of The Courtauld's magnificent premises in the North Block of Somerset House. We are working with stirring prize-winning architects Witherford Watson Mann carefully to restore our important Grade 1 listed-building as well as transform access to and experience of The Courtauld for our students and the public.
