The contract is likely to be subcontracted Value or proportion likely to be subcontracted to third parties Value excluding VAT: 3 641 280,00 EUR

Section VI: Complementary information

VI.3. Additional information

During the 3 years following the signature of the contracts, the European Parliament may exercise the option to increase, in case of unforeseen needs (e.g. a change in policy, in case of reorganisation or any other similar reason), the original expenditure ceiling by a maximum of 50 % of the original contract value via a negotiated procedure for the repetition of similar services with the successful tenderers (Point 11 (1) (e) of Annex I to the Financial Regulation). The new services will be awarded according to the conditions applied for the original contract, as laid down in the procurement documents. No new framework contract will be signed but a supplementary agreement will be signed with a view to amending the original expenditure ceiling.
