IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

In the case of framework agreements, provide justification for any duration exceeding 4 years:

The option of extended contract term is justified based on supplier software/tool investment, demand for services and extended user base. Given unique requirements the supplier may need to invest in setup/configuration. Demand for services is difficult to forecast, linked to project funding. And with a diverse, possibly infrequent user base, we retain the option to extend to ensure user adoption.
