This procurement is being conducted under the Light Touch Regime applicable to social and other specific services pursuant to the European Union (Award of Public Authority Contracts) Regulations 2016 (S.I. No. 284/2016), as amended, and the relevant provisions of Directive 2014/24/EU. The procurement is being conducted using the Open Procedure and is subject to the applicable requirements and principles of equal treatment, non-discrimination, transparency, proportionality and competition. Tenderers will be invited to submit for one, some or all six Lots. • Lot 1: Adult Day Case Procedures • Lot 2: Adult Inpatient Procedures • Lot 3: Adult Outpatient Services including minor OP Procedures • Lot 4: Paediatric Day Case Procedures • Lot 5: Paediatric Inpatient Procedures • Lot 6: Paediatric Outpatient Services including minor OP Procedures The NTPF intends to appoint more than one Healthcare Provider for each of the Lots. The NTPF intends to operate this Framework across the Lots and certain minimum mandatory suitability requirements will be specified at the mini-competition stage and not the Framework invitation stage. Note: Healthcare Providers are requested to only submit a tender if they are confident that they have the requisite capacity, suitably qualified staff, experience and expertise within their organisation to deliver on the service as outlined in the tender documentation commencing as soon as practicable after award of contract. All submissions will be reviewed for compliance with the specifications as outlined in this document. All tenderers that meet these requirements and submit compliant tenders will be admitted to the framework agreement. Tenderers that do not meet the stated requirements or whose tenders are otherwise deemed non-compliant will not be admitted to the framework. There shall be no limit on the number of economic operators admitted to the Framework.
