II.2.4. Description of the procurement

Supply and deliver a range of work wear to all NEPO members and associates on an as and when required basis.

A 2 stage open procedure will be used for the procurement of this framework agreement. The first stage will consist of the selection process where the authority will focus on the tenderers' characteristics and suitability in principle to provide the contract requirements. Submissions will initially be assessed in respect of the SQ responses. Subject to passing the SQ assessment, the tender submissions will be evaluated. Failure of any of the pass/fail sections will result in the failure of the SQ submission, and evaluation of the tender will not occur.

All tenderers who pass the selection stage will be eligible to have their submissions assessed at the award stage. The award stage considers the merits of the eligible tenders in order to assess which tenderers can be appointed to the framework. The authority only uses a criterion that is linked to the subject matter of the framework.

Once the award stage is evaluated and successful bidders are ranked, intent to award letters will be issued, the top 1-3 suppliers for each lot will be invited to submit samples no later than 4 working days after the intent letter has been issued of the items they are proposing, as part of a due diligence exercise to ensure they meet the technical specification. The authority reserves the right that in the event that the samples are not found to be satisfactory, that the tender submission will be deemed non-compliant and the remaining tenders ranking will be re-evaluated as necessary.
