III.1. Conditions for participation**III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

'Qualification Requirement:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian tenderers: Company registration certificate
- Foreign companies: Verification that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established'. Norwegian tenderers shall present a 'TAX and VAT certificate'. The tax certificate can be ordered from Altinn, and it must not be older than 6 months calculated from the deadline for submitting a request for participation in the competition or a tender.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

'Qualification Requirement:

Tenderers must have an economic and financial standing that makes it able to fulfil its contractual obligations throughout the entire contractual period. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement:

- A credit rating based on the most recent financial figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the contracting authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

'Qualification Requirement:

Tenderers must have experience from comparable assignments.

Documentation requirement:

Description of up to three of the tenderer's most relevant/comparable assignments in the last three years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description. "

'Qualification Requirement:

Tenderers must have a good and well-functioning quality assurance and management system for the provided services

Documentation requirement:

Tenderers must submit documentation of the quality assurance system and management system. The following documentation will be accepted:

Certificate of the company's quality system/management system, issued by independent bodies that confirm that the tenderer fulfils quality assurance standards in accordance with ISO 9001 or equivalent,

or

A description that, as a minimum, covers the company's procedures/routines for:

- Dealing with deviations and claims
- The process from the receiving and registration of orders until a completed delivery to the customer'.

'Qualification Requirement:

Tenderers must have an established environmental management system.

Documentation requirement:

Tenderers must submit documentation of their environmental management system. The following documentation will be accepted:

- Valid attestation/certificates issued by independent bodies (e.g. ISO 14001, EMAS, Miljøfyrtårn or equivalent systems), or

- A description of the tenderer's own environmental management system. The description must, as a minimum, include environmental goals and an environmental policy'.
