no

#### **II.2.14. Additional information**

Please note that this is a negotiated procedure. With the exception of mandatory parts, the Tender Documents may as a result undergo changes as part of the negotiation process.

### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

The applicant must confirm the economic ability in the ESPD part IV.B: "Economic and financial standing" with information from the latest annual report regarding the following economic indicators:

1. Equity (total equity incl. share capital, reserves, revaluation, retained earning etc.)
2. Equity ratio (equity/total assets). This must be stated with two decimals.

If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 "Additional information". It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached on the basis of consolidation when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium).

Minimum level(s) of standards possibly required:

Concerning 1: Equity from the latest annual report must, at the time of prequalification, be at least 450,000 EUR.

Concerning 2: Equity ratio from the latest annual report must, at the time of prequalification, be at least 20 pct. If the equity ratio is between 15 pct. and 20 pct. the applicant can qualify if Equity exceeds 1,300,000 EUR.

##### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

The applicant can include the up to 10 most comparable and relevant references undertaken in the past five (5) years as part of the application. The references must be stated in the ESPD part IV.C: "Technical and professional ability". The reference sheet are structured to include alle relevant information and therefore, it is recommended that information regarding the references is stated therein with a reference to the reference sheet in the ESPD part IV.C. If the applicant chooses not to use the reference sheet, the applicant is encouraged to be thorough when stating the information for each reference in the ESPD and further to ensure, that all requested information is included in detail. Undertaken in the past five (5) years implies that the reference must not have been completed prior to the date reached when counting 5 years backwards from the submission date for prequalification. References older than this will not be taken into consideration. References which have not yet been fully completed can be included as part of the application, but if this is the case, the applicant must describe the parts which have not yet been delivered, and this may affect the evaluation of the applicant, cf. section II.2.9.

The references should include:

- A specific description of the work performed for each reference, including:
  - o Reference name
  - o Voltage
  - o Nominal current
  - o Rated frequency
  - o Motor supply and control voltage
  - o Insulator material
  - o Corrosion protection
  - o Date of final delivery
  - o End customer
  - o Place of installation
  - o Contact at end customer
  - o Other relevant info if applicable

Any ambiguities and/or incomprehensibilities concerning the above information may have a negative effect on the selection of candidates, cf. section II.2.9. Please note the "description" box can contain more text than is visible. I.e. it is possible to copy paste text into the box.

If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities.

The number of references should not surpass a maximum of the 10 most comparable and relevant references. If the applicant is relying on the capacity of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the maximum number of references to be submitted must still be respected and cannot exceed 10 when combined. If more than 10 references are submitted, the Contracting Authority will only consider the 10 most recent references determined by date of final delivery (in this case not yet finished references will not be included).

Minimum level(s) of standards possibly required:

At least one (1) reference in the past five (5) years, regarding delivery of Mobile HV-Switchgear (Compact Switchgear or GIS), must fulfill the characteristics as stated in section II.2.4 or similar.

#### **III.1.4. Objective rules and criteria for participation**

List and brief description of rules and criteria:

The applicant must submit a completed version of the ESPD.

Applicants may not be subject to the mandatory grounds for exclusion, cf. the Danish Public Procurement Act (udbudsloven) Section 135 (1-3) and 136.

Please see section VI.3 "Additional information" for further information regarding the ESPD.

The application must be submitted through EU-Supply, cf. link in section I.1 in this notification.

Applications not submitted via EU-supply or received after the deadline will not be accepted.

The Contracting Authority reserves the right to request the applicant to supplement, specify or complete the information submitted.

#### **III.1.6. Deposits and guarantees required**

The information is stated in the Tender Documents.

#### **III.1.7. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

The information is stated in the Tender Documents.

#### **III.1.8. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

No special legal form is required.

If the agreements are awarded to a group of economic operators (e.g. a consortium) the participants are required to undertake joint and several liabilities and to appoint one economic operator to represent the group.
