Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

- Tenderers must be a legally established company.

Documentation requirement:

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Verification that the tenderer is registered in a trade register or company register as prescribed by the law of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement:

- Tenderers must have the economic capacity to carry out the assignment/contract.

Documentation requirement:

- The contracting authority will obtain a credit rating based on the last known fiscal figures.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

- Tenderers must have good capacity to fulfil the contract.

Documentation requirement:

- A statement of the tenderer's average workforce and the number of employees in the administration in the last three years.
- A description of the proportion of the contract that the tenderer is considering to use sub-suppliers for.

Requirement:

- Tenderers must have good experience from equivalent assignments. Equivalent assignments means the hiring out and operation of stock.

Documentation requirement:

- A description of the tenderer's primary relevant assignments in the last three years. The description must include information on the assignment's value, date and recipient.

Requirement:

- Tenderers must have an established environmental management system.

Documentation requirement:

- Documentation of the tenderer's environmental management system.

If the tenderer is certified, it is sufficient to enclose copies of certificates issued by independent bodies.

If the tenderer is not certified, it is sufficient to attach the table of contents for the environmental management system.
