#### II.2.3. Place of performance

NUTS code: NO012 Akershus

#### II.2.4. Description of the procurement

The contract includes deliveries of electrical materials and light sources. The objective of the contract is to procure materials for our own use, installed by our own electricians and operational technicians. The contract does not include electrical materials installed by external electricians.

We have our own electricians in the property department and the water and sewage department. We currently have no installers, so all work is related to changing equipment, not to new installations. The materials are to be used for assignments related to housing, offices, schools, etc. Some of the materials shall be delivered to the water and sewage department and installed below ground level which means that the materials must be suitable for this environment.

A supplier with a wide product assortment, good customer services and rapid deliveries is requested, as many assignments are on short notice.
