### III.1. Conditions for participation

#### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tax and VAT certificates:

For Norwegian tenderers: a tax and VAT certificate. The certificate must not be more than 6 months calculated from the application deadline to deliver questions about participation in the competition. Any arrears or other irregularities must be justified. (The tenderers can obtain the electronic tax and VAT certificate and immediately have it sent by email.)

Foreign tenderers: tenderers who are not established in Norway shall submit equivalent documentation issued by the authorities in the country where the tenderer is established. The certificate shall preferably be translated to Norwegian, but it will also be accepted in Swedish, Danish and English.

Credit rating:

The contracting authority will carry out their own assessment of the tenderer's finances through the business and accounting information company Bisnode AS with the service CreditPro.

The contracting authority will not accept credit ratings from business and account information systems other than Bisnode AS with the service CreditPro in order to ensure an equal assessment of all tenderers.

Tenderers can enclose other necessary information in the tender offer if the tenderer believes that Bisnode/CreditPro does not provide a correct picture of the economic situation.

Newly established companies: Newly established companies that have not built up a basis for credit rating must enclose a declaration from a bank or similar financing institution regarding the company's financial and economic position.

This also applies to foreign tenderers.

Minimum level(s) of standards possibly required:

Tax and VAT certificates:

Tenderers must have their tax, payroll tax and VAT payments in order in accordance with the legal provisions.

Credit rating:

The financial capacity to carry out the contract is required. Tenderers are required as a minimum to be credit worthy, A in accordance with Bisnode AS with the service CreditPro, or have the economic capacity to fulfil the contract based on the contracting authority's discretion in accordance with the attached documentation from the tenderer.

Newly established companies must have the economic capacity to implement the contract.

#### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Experience:

A reference list must be enclosed with a minimum of one and maximum of 5 references must demonstrate that the qualification requirement is fulfilled. For each reference assignment, information must be provided about the assignment scope, value, dates, duration, contracting authority, contact person at the contracting authority with email address and telephone no.

Minimum level(s) of standards possibly required:

Experience:

Tenderers are required to have experience from equivalent assignments in the last 3 years. Equivalent assignments means the delivery of rescue vehicles of an equivalent size, scope and use.

### **III.2. Conditions related to the contract**

#### **III.2.2. Contract performance conditions**

Will be described in the tender documentation, which will be available to qualified tenderers.
