The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

## **Section IV: Procedure**

---

### **IV.1. Description**

#### **IV.1.1. Type of procedure**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority and in accordance with the strict conditions stated in the directive

Explanation:

De Coronapandemie is een uitzonderlijke omstandigheid die met een gemotiveerd beroep op dwingende spoed kan worden gerechtvaardigd, zoals ook beschreven in een Mededeling van de Europese Commissie waarin is aangegeven dat het mogelijk is opdrachten ter indamming en bestrijding van het Coronavirus te kwalificeren als opdrachten met dwingende spoed. In de huidige fase van de bestrijding van het virus is een grotere behoefte ontstaan om met grote spoed verschillende monsters te sequencen. Enerzijds gaat het om analyse van rioolwatermonsters en anderzijds om analyse van patiëntmateriaal. Beide zijn bedoeld om verspreiding van het Coronavirus in de gaten te houden. De grote spoed is erin gelegen dat de vraag naar het sequencen van monsters bij RIVM in grote mate toeneemt. Daarom is er direct extra sequence apparatuur nodig.

#### **IV.1.3. Information about a framework agreement or a dynamic purchasing system**

#### **IV.1.8. Information about the Government Procurement Agreement (GPA)**
