Complaints about not being pre-qualified shall be submitted to 'Klagenævnet for Udbud' (Board of Appeal) within 20 calendar days from the day following the day on which the contracting entity has sent a notification with an explanation of the decision to interested applicants who have been prequalified. In other situations, the complaint against the tender or the decision must be submitted to 'Klagenævnet for Udbud' before:

- 1) 45 days after the contracting entity has published a notice in the Official Journal stating that the contracting entity has entered into a contract. The period is calculated from the day following the day on which notice has been published.
- 2) 30 calendar days from the day following the day on which the contracting entity informed the tenderers that a contract based on a framework contract with reopening of competition or a dynamic purchasing system has been signed, if notification is given a brief explanation of the relevant reasons for the decision.
- 3) 6 months after the entity has signed a framework agreement – calculated from the day after the day on which the contracting entity informed the tenderers and candidates, cf § 2 (2).
- 4) 20 calendar days from the day following the day on which the contracting entity has announced the decision according to the Danish law of procurement (No 1564 of 15.12.2015) § 185 (2) second sentence.

At the latest at the same time as an appeal is sent to 'Klagenævnet for Udbud', the appellant shall in writing inform the contracting entity that the complaint will be sent to 'Klagenævnet for Udbud', and whether the complaint is filed during the standstill period referred to in § 3.
