2.1. Procedure

Title: Multi Party Framework for Project Supervisor for the Design Process PSDP Services
Description: DPC intends to establish a multi-party framework for Project Supervisor for the Design Process PSDP Services, to: a. Provide PSDP Services for DPC's capital programme projects in accordance with the Safety, Health and Welfare at Work Construction Regulations 2013 as amended and b. Support DPC in fulfilling its statutory duties as a client in respect of health and safety coordination during the design process, across a range of civil, structural, marine, building and infrastructure projects throughout the framework term. The successful Framework Members must demonstrate the capacity and expertise to fulfil the statutory PSDP role across all project phases, from inception and feasibility through to detailed design, tender support, and handover of the completed Health and Safety File, as required under individual call-off contracts. DPC requires firms with strong health and safety design coordination experience across a range of construction project types, including civil engineering, marine structures, port infrastructure, buildings, and utilities works.
