Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The tenderer must have adequate financial capacity to comply with the contractual obligations and, in addition, fulfil the following requirements:

The tenderer must have an equity ratio of at least 10 %.

The tenderer must have an average annual turnover of minimum NOK 30 million in the last three fiscal years.

Documentation requirement:

The annual financial statements, annual report and audit report for the last three years, plus recent information (quarterly accounts) which is of importance to the tenderer's fiscal figures.

See the tender documentation for further details.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The tenderer must have experience from relevant assignments.

Documentation requirement:

The tenderer must present an overview of 3-5 of the most important relevant assignments performed in the last 3 years.

See the tender documentation for further details.

The tenderer shall have a well-functioning quality assurance system, based on ISO 9001:2015 or equivalent. The system will be subject to periodic audits.

Documentation requirement:

The tenderer must submit a certificate issued by independent bodies, documenting that the tenderer is certified in accordance with ISO 9001:2015 or similar. Other documentation can be accepted.

See the tender documentation for further details.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

Point 3.26 of the contract provisions has a requirement that ensures that employees at the tenderer and any sub-suppliers that carry out work under the contract do not have worse wages and working conditions than those in the current regulations on general tariff agreements or nationwide tariff agreements for the branches in question. The Norwegian Public Roads Administration will also check compliance with the provisions and put sanctions in place for the tenderer if there is a lack of compliance with the provisions.

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
