### **Section IV: Procedure**

---

#### **IV.1. Description**

##### **IV.1.1. Type of procedure**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority and in accordance with the strict conditions stated in the directive

Explanation:

Causa le misure di contenimento adottate in relazione all'emergenza epidemiologica da covid-19 il traffico autostradale ha subito una drastica riduzione con conseguenti notevoli perdite economiche; pertanto la società non è in grado di programmare i flussi di cassa e, di conseguenza, le cadenze previste per lo svolgimento del servizio in oggetto.

Pertanto, stante il quadro delineatosi, bandire attualmente una procedura di gara ordinaria appare sconveniente per la società in quanto non in grado di dimensionare correttamente le cadenze da richiedere per il servizio di raccolta incassi e trasporto valori, nonché lesivo del principio di ispirazione comunitaria di massima partecipazione alla gara da parte degli operatori economici, stanti le difficoltà per i medesimi di organizzare l'offerta.
