Title: Sub-contract 8: Small procurements

Description: The Joint Procurement Office (FIK), hereinafter referred to as the contracting authority, invites open tenders for the purchase and delivery of food for small orders to the municipalities of Frogn, Nesodden, Vestby, and Ås. The aim of the procurement is to cover the municipalities' need for a contract where they can shop and deliver food for small orders. The intention of the competition is that there are several smaller units in the municipalities that have a smaller need for food deliveries, where then the contracting authority wants a supplier who can deliver food across the other sub-contracts together. The contracting authority intends to enter into a framework agreement with one tenderer for this sub-contract.
