VII.2) **Information about modifications**

VII.2.1) **Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):  
The period of this contract is extended by up to 12 months.

VII.2.2) **Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee (Art. 43(1)(c) of Directive 2014/23/EU, Art. 72(1)(c) of Directive 2014/24/EU, Art. 89(1)(c) of Directive 2014/25/EU)

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

These modifications are made under the provisions set out in Regulation 72 (1) (c) (i) (ii) and (iii). Procurement Policy Note — Responding to Covid-19 PPN 01/20 (p 6-7) also refers. {The need for current modifications has been brought about by the circumstances of Covid-19 which have meant resources in the contracting authority have been redirected to efforts to support front line health and social care activities, including direct care for patients and efforts to support supply chain activity. As a result, scheduled re-tendering activity is being delayed while current circumstances are present}. While there are planned measures for disruption to the normal business activities, the scale of the impact of Covid-19 and the uncertain duration could not have been foreseen.

VII.2.3) **Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications and price adaptations and, in the case of Directive 2014/23/EU, average inflation in the Member State concerned)

Value excluding VAT: 6 300 000.00 GBP

Total contract value after the modifications

Value excluding VAT: 6 300 000.00 GBP
