I.6. Main activity

Electricity

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Nordsee One GmbH — SMA WTGs
Reference number: 5940/2019

II.1.2. Main CPV code

45251160 Wind-power installation works

II.1.3. Type of contract

Services

II.1.4. Short description

The wind farm Nordsee One (N1) is located in the German Bight, approximately 32 km north of the island Juist. The water depth ranges roughly between 26 m and 34 m (LAT) with 2,7 m tidal range. Under operation are 54 Senvion wind turbine generators (WTG) of 6.2M126 type with a nominal output of 6.15 MW.

N1 wants to enter into a Service- and maintenance agreement (SMA) with a long-term full-scope service for the 54 WTGs, starting from 7.12.2020 until 6.12.2027. The main tasks of the scope will be maintenance (scheduled and unscheduled), inspection and repair of components including major components, management of spare parts, documentation and reporting of the tasks and the WTGs and all tasks which are necessary to keep the wind farm running safe and sustainable, including full logistics, base infrastructure, spare part procurement, monitoring and control.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

76520000 Offshore services

II.2.3. Place of performance

NUTS code: DE947 Aurich

Main site or place of performance: Offshore Wind Farm Nordsee One.

II.2.4. Description of the procurement

See above and the call for competition (CfC).

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 07/12/2020 End: 06/12/2027

This contract is subject to renewal: yes

Description of renewals:

Subject to negotiations.

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3Maximum number: 5Objective criteria for choosing the limited number of candidates:

See the call for competition (CfC).

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Subject to negotiations.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: yes

Identification of the project: NER 300

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

1) Extract from the commercial register (or comparable document) if registration in such a register is required by law according to the candidates' or the members of the consortium's country of origin.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

1) Description of the candidate's or the members' of the consortium's legal structure and liability;
2) Candidate's or members' of the consortium turnover during the last 3 financial years;
3) Annual financial statement, financial reports or balance sheet of the last 3 financial years;
4) Commitment to provide parental company guarantees during the bidding phase or comparable collateral.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

1) Company presentation (qualified personnel, relevant technical equipment etc.);
2) Presentation of references for comparable services;
3) HSE statistics for the last 3 years including LTI (lost time injuries, in relation to the total number of hours worked);
4) Information on the management systems for QHSE, together with proof for the relevant certification. If no certification might be available, the candidate shall provide a presentation and/or general information on the status of the management systems and (if planned) a milestone schedule for the certification process.

III.1.4. Objective rules and criteria for participation

List and brief description of rules and criteria:

See call for competition (CfC).

III.1.6. Deposits and guarantees required

See call for competition (CfC).

III.1.7. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

See call for competition (CfC).

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Negotiated procedure with prior call for competition

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.4. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated
