## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

The tenderer must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Verification showing that the tenderer is registered in a company register, professional register or a trade register in the state where the tenderer is established.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

The tenderer must have sufficient economic and financial capacity to comply with the contract. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement:

Credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service. The Norwegian Maritime Directorate will obtain credit appraisal of the tenderer.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

The tenderer must have experience from comparable assignments.

Documentation requirement:

Description of up to three of the tenderer's most relevant assignments in the last three years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description. The tenderer can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier.

The tenderer's professional qualifications

The tenderer must have an established environmental management system.

Documentation requirement:

The tenderer shall describe the internal environmental work i.e. indicate if there is an environmental certification system, an established environmental policy, etc. and enclose certificates thereof.
