Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations set under purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Analogous situation like bankruptcy, insolvency or arrangement with creditors under national law: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

5.1.9. Selection criteria

Sources of selection criteria: European Single Procurement Document (ESPD)

5.1.10. Award criteria

Criterion:

Type: Price

Name: Price

Description: Lowest total price. The discount shall be the same within each category. The dated gross price list in spreadsheet format shall be enclosed with the tender and it shall include all the product categories stated in the price form. Documentation: Prices shall be given excluding VAT under the tab "products" in Mercell.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 50

Criterion:

Type: Quality

Name: Quality

Description: The contracting authority will carry out an overall assessment of the following points (1-3): 1. Fulfilment of the price and product form: The price and product form states the contracting authority's desired qualities and execution for work wear, protective clothing, rainwear, shoes and protective equipment. The contracting authority will assess the tenders based on the degree of fulfilment. 2. Fulfilment of the following minimum requirements: We

would like the offered sizes of shoes, work clothes and protective clothing beyond the upper and lower minimum limits. 3. We are expected to offer both men's and men's sizes for safety reasons. Tenderers must prove the reason if unisex is offered. 4. We would like tenderers to deliver shoes and protective shoes with narrow, normal and broad reading. Tenderers will provide information on this in the tender if available. The tenderer's response will be assessed and given points based on the following scale: fulfils requirements to a very small degree - 1 point fulfils the requirements, but with significant shortcomings - 2 points fulfils the requirements, but with some shortcomings - 3 points fulfils requirements - 4 points fulfils the requirements well - 5 points fulfils requirements very well, preferably above expectations - 6 points The points will be normalised. The best tender will get 10 points and therefore no price mark-up for this criterion. Tenderers who do not get the best score on the criterion will receive a price mark-up. Tender prices can be simulated in the "simulation file" available for downloading in Mercell. Documentation requirement: A combined pdf file with a product description and pictures of all the offered products shall be enclosed in the same order as the price and product form. The description shall as a minimum contain the following information: Information on whether it is a women's, men's or unisex product. Indicate whether shoes /protective shoes are delivered in a narrow, normal or wide reading. Textile composition Washing instructions Sizes Certifications Unique id Documentation that the size is in accordance with part 3 in NS-EN 13402 Size designation of clothing Environmental marking with valid license number Marking scheme mulesing It is the tenderer's responsibility to submit sufficient documentation so that the contracting authority can carry out a correct evaluation of the tenders. The contracting authority can reject tenders that include uncertainties if these uncertainties must not be seen as insignificant. The contracting authority is not obliged to request supplementary documentation. Tenderers refer to a separate annex that is uploaded under the tab "Dokumenter" in Mercell.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 35

Criterion:

Type: Quality

Name: Environment

Description: The score will be determined based on the portion of products with documented environmental properties. The tenderer with the highest score will get 10 points on the criterion. The other tenders will get a score calculated after percentage deviations from the best score. The contracting authority gives a full account of work wear that is marked with the Swan Ecolabel and the EU Blomsten. Other marking schemes will give a lower rating, if the environmental labels are assessed as less relevant or comprehensive. Øko-Tex Standard 100 gives 25 % value compared to the Swan Ecolabel and the EU Flower. The EU Ecolabel or the Swan Ecolabel on components/materials gives 25 % value. Equivalent marking schemes will also be paid, but the tenderer must prove that the marking scheme is equivalent. Tenderers who offer other brands will have the legal responsibility to document that their environmental label can be seen as equal/equivalent with the marks specified above. When calculation of points on this criteria, the amount of the relevant products will be multiplied by volume (number). For products where documentation is not enclosed, invalid licences or labelling schemes are given, based on self-declarations that must not meet the environmental minimum requirements, no payment will be given. Documentation requirement: In the column "Miljømerke" in the price form, the environmental label each product has, as well as a valid licence number, shall be filled in. If the product does not have a license number, a valid certificate/licence certificate must be enclosed.
