#### **5.1.9. Selection criteria**

Sources of selection criteria: Notice

Criterion: Enrolment in a trade register

Description of selection criterion: The tenderer is registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements The tenderer shall be a legally established company. Documentation: Norwegian companies shall submit a company registration certificate from the Brønnøysund Register Centre. Foreign companies shall submit proof that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Criterion: Other economic or financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers must have sufficient economic and

financial capacity to be able to fulfil the contract. Tenderers are required to have a bankruptcy rating equivalent to B (moderate bankruptcy risk) from Proff Forvalt (Proff AS) or better. Documentation requirement: The contracting authority will use Proff Forvalt (Proff AS) to assess fulfilment of the requirement. Therefore it is not necessary for tenderers to send this documentation. The tenderer is expected to have known registered information about the company in Proff AS. If a tenderer chooses to use a parent company to fulfil the requirement, a parent company guarantee must be enclosed. The contracting authority will then use Proff Forvalt to assess the parent company's bankruptcy rating. If the tenderer (e.g. newly established companies) is not subject to bankruptcy proceedings in Proff Forvalt, the tenderer is asked to enclose other appropriate documentation. This can e.g. be the company's annual accounts or extracts thereof, bank declarations or liability insurance certificates, ref. the Public Procurement Regulations §16-4. If one company will use the capacity of other companies to fulfil the requirements for economic and financial capacity, the contracting authority requires that they are joint and severally responsible for the execution of the contract.

Criterion: References on specified deliveries

Description of selection criterion: Only for public goods deliveries: In the reference period, the tenderer has carried out the following important deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Documentation shall be given of experience from equivalent assignments as defined in the specification requirements.

Criterion: Measures for ensuring quality

Description of selection criterion: The tenderer utilises the following technical facilities and quality assurance measures and the tenderer's survey and research facility is as follows: Minimum qualification requirements Tenderers shall have a quality assurance system suitable for the delivery. Documentation: A description shall be enclosed of the tenderer's quality assurance methods. If a tenderer is certified in accordance with ISO 9001 or other relevant quality assurance certifications, it is sufficient to enclose a copy of a valid certificate.

Criterion: Environmental management measures

Description of selection criterion: Tenderers can employ the following environmental management measures in connection with the execution of the contract: Minimum qualification requirements Tenderers shall have an environmental assurance system suitable for the delivery. Documentation: Tenderers shall enclose an account of existing routines. If a tenderer is certified in accordance with ISO 14001 or other relevant environmental certification, it is sufficient to enclose a copy of a valid certificate.
