II.2.4. Description of the procurement

Coventry University are seeking to engage a suitable online learning platform partner to continue with the delivery of our online learning initiative and to grow the learner numbers for existing and new courses. The objectives and requirements of this partner are detailed in section 6 of the ITT document, but include:

- create and develop a global market for distance online qualifications delivered by Coventry University,
- achieve financial sustainability across the planned period of the online learning initiative,
- deliver a sector leading student and learning experience across a broad range of online qualifications,
- implement a long-term delivery model which is scalable, efficient, effective and continuously improved,
- instigate new ways of working and/or innovation across different modes of delivery and a range of qualifications,
- implement a learning platform with no/minimum disruption or cost to existing qualifications delivered online.
