Justification for the duration of the framework agreement: As an exception, a waiver of the 4-year rule is granted for this framework agreement, given the need to ensure the continuity and duration of the projects that will be covered by purchase orders under the agreement. This waiver is notably justified by projects concluded with the European Union and AFD over a 5-year period. The implementation of these projects requires the use of a third-party employer arrangement, in order to establish and maintain employment contracts for the entire duration of the projects. The duration of the framework agreement is therefore justified by the operational and contractual requirements specific to these projects.
