Reference number: 2017CE160AT142

II.1.2. Main CPV code

72700000 Computer network services

II.1.3. Type of contract

Services

II.1.4. Short description

The general objective of this project is to support dissemination of the EU regional policy experience and good practices and to develop further cooperation between national and regional authorities and specialized agencies in the Latin American countries/states covered by the project, both between themselves, and, with EU countries and regions on the definition and implementation of decentralised, regional-level innovation and smart specialisation policies. This will be achieved mainly through the establishment of a mechanism/platform for

knowledge exchange and transfer of good practices among participating (EU and Latin American) countries/states and regions.
